Who is God?

1. What is one thing you learned about God in 2019? Or, what is one thing you've heard about God that you're curious about?
2. What do you think God is like? Where have your beliefs about God come from (e.g., Bible, creation, parents, experience, reason, etc.)?
3. Read Exodus 34:5-7.
 - a. Identify the attributes of God listed here; Hebrew scholars find 13.
 - b. Which attributes align with your understanding of God? Do any stretch your understanding?
4. Read Job 42:1-6 and Psalm 103:1-5. What do you notice about each person's response to God? How do you respond to God, or to what you're learning about Him?
5. Paul says in 1 Corinthians 13:12, "Now we see but a poor reflection as in a mirror; then we shall see face to face. Now I know in part; then I shall know fully, even as I am full known." What do you think he means? What might it be like to "see face to face" and "know fully"?
6. How do you respond to a God who has revealed Himself to us, yet is also beyond our comprehension? Share a time when you felt God was beyond you; what was that like?
7. How would it look for you to love and accept God as He is? Is there anything you need to resolve to do, as you consider who God is? Or, is there one attribute of God you would like to meditate on this week?
