

# GOD<sup>TM</sup>

## WORSHIP

Begin by reading Isaiah 6:1-8

## FELLOWSHIP

Who is someone you like to meet Or whom you have met where you felt speechless or in awe of being in their presence? Bonus points if you say your spouse :)

## TAKEAWAY

What was your biggest takeaway from Sunday's sermon?

## QUOTE

What do you think of this quote by Mike? "Our Holy God never shows you your sin except to show you his Grace."

## GOSPEL

This passage is one of the best examples I can think of in defining the Gospel. Let's define it and then look at each aspect: The gospel can be defined as God, Man, Christ, Response. Who is God? Who is man in relationship to God? What does Christ do so that we can be with God? What is our response?

- *God: Pray in adoration of how great, holy, and mighty God is. Praise him for his character.*
- *Man: What does this passage teach us about mankind? How should we respond to being in the presence of a Holy God?*
- *Christ: Although not mentioned specifically, can you see Christ in this passage? (Hint: look at the coal).*
- *Response: How does Isaiah Respond? (verse 8). Is there anything in your life God might be calling you to do in response to His Holiness, your sinfulness, and the mercy/grace offered to you through Christ? Share with the group what that is and why you feel God might be calling you to that.*

## PRAYER

Spend time individually or as a group praying around these four things:

- *God: Pray in adoration of how great, holy, and mighty God is. Praise him for his character.*
- *Man: Confess your sin. Both individually and corporately. The presence of a Holy God makes us come undone.*
- *Christ: Remember that God reveals our sin so that He can reveal His Grace. Spend time thanking God for Grace, for forgiveness, for coal touching our unclean lips, and for Jesus.*
- *Response: Allow space to pray about for the needs of one another in the group as well as to pray for what things God might be motivating you to do.*
