

SALT & LIGHT

# SERMON ON THE MOUNT

## WORSHIP

Begin by reading Psalm 103, a call to praise God for His goodness to us.

## FELLOWSHIP

What is your favorite seasoning and why?

## DISCUSSION

1. What did you learn from Mike's sermon on Sunday? Any insight is welcome.
2. Read Matthew 5:13-16

*Why does Jesus call us the salt of the earth?*

*How do you think we lose our saltiness?*

*What are ways we can preserve our saltiness?*

*What does it mean we the light of the world?*

*In what ways do you think you are good at letting your light shine? What areas can you grow in?*

*In what venues (family/work/friends/school) do you think you are good at letting your light shine? What places do you need to grow in?*
