

# HOW DO YOU KNOW?

## CHAPTER ONE

### **INTRO**

How do you know what you know is true?

### **DISCUSSION**

**Read John 18:28-40**

1. Jesus says in vs. 37 that everyone on the side of truth listens to him. What does that mean? What is Jesus claiming to be with this statement?
2. What is Pilate's response to Jesus (vs. 38)? Why do you think he responds that way?
3. Mike's first point is that we are in a knowledge crisis. Do you agree or disagree?
4. The second point of the sermon is that Jesus claims there is truth. Do you agree or disagree with this statement and why?
5. Third, Mike stated the crisis over truth is heating up, why do you think so?
6. Finally, we need to decide what, or who, we will trust. If your answer is God and his word, how do you know you can trust Him and his words?

### **PRAYER**
