

THERE'S WORK TO BE DONE

WEEK 2 | JUSTICE

INTRO

How would you define justice and why?

What is injustice and why?

DISCUSSION

Psalm 89:14-16

1. Why do you think righteousness and justice are a part of God's throne?
2. What does it say about God's rule and character?
3. Vs. 14 also states that steadfast love and faithfulness go before God. How does that shape your understanding of God?
4. Do you think it's hard to see God as righteous, just, and loving? Why or why not?
5. What does that mean for our work in this world that God is righteous, just, and loving?
6. How do we bring those characteristics to our work?
