

# THERE'S WORK TO BE DONE

WEEK 4 | COMPASSION

## INTRO

What does compassion mean? What does compassion look like in this world?

## DISCUSSION

### Psalm 51

1. Psalm 51 was David's prayer after he had been confronted for adultery. Why does David ask God for compassion rather than grace or mercy?
2. According to Psalm 51 what does God's compassion do for us?
3. How have you experienced compassion, from God or others, in your own life?
4. Mike's first point is that the world needs compassion. What would a compassionate world look like?
5. Mike's second point is that compassion is not the normal response in this world. How do you see a lack of compassion playing out in our relationships, homes, communities and society at large?
6. Mike's final point states that Jesus calls us to compassion. What are different ways that Jesus showed compassion? How can we model that in our own lives?

## APPLICATION

How can we or do we bring compassion into our work? What difference would or does that make in the world?

## PRAYER

Pray for each other.
