

# THERE'S WORK TO BE DONE

WEEK 5 | WISDOM

## INTRO

Who is a teacher in your life that was influential? Why?

## DISCUSSION

### Psalm 51

1. Psalm 111 talks about "pondering" or studying the works of God. Do you think about your learning (leisure, training for work, or schooling) as a way to explore God's wisdom in the world? How would this change your perspective?
2. Is there a situation in your life where you could only see one part of the story, but as you gained perspective (over time), you could see God's hand more clearly?
3. In what ways do you think it is easy to misunderstand the concept of the fear of the Lord? In what ways can you apply the fear of the Lord to a decision that you are facing in your life?
4. What do you think Colossians 2:2 means when it says all the treasures of wisdom and knowledge are found in Christ? Is it natural for you to make a connection between things you see as wise and Jesus?

## PRAYER

Pray for each other.
