

INTRO

Do you think that the bible has one central focus? Why or why not?
What is that central focus? Why?

DISCUSSION

John 13:1-16

1. What did Jesus know about himself and God? (vs. 3) Why is that significant and what does that reveal about Jesus? (Phil. 2:5-10)
2. In spite of that power what does Jesus do next? (vs. 4) How does his example shape you?
3. If Jesus were to come to you and wash your feet would you let him? Why or why not?
4. Why does Jesus wash their feet? (vs. 15) What does that mean for how you live? (family/parenting/work/marriage/church/etc)

APPLICATION

How will you follow Jesus example and serve others in your life?
