

## INTRO

What is one reason it's hard to selflessly love people?

## DISCUSSION

### **John 15:12-17**

1. Jesus command to love one another is based on how Jesus loves us (vs. 12). How does Jesus foreshadow how he will demonstrate that love? (Vs 13). How does his example motivate you to love others?
2. Jesus tells the disciples they have become friends instead of servants. Why? What does that mean for the disciples and for us? (vs. 15)
3. Numerous times through this passage and others Jesus says to be his commands and that his command is to love one another. Why do you think Jesus repeats this so many times? What does that mean for us?

## APPLICATION

What ways can you show love to one another?
