

DISCUSSION

Read John 16:16-33

1. How does Jesus help us understand prayer in this passage? (vs. 23) Does that impact the way you pray or how you think of prayer?
2. Jesus said in vs. 28 that he came from the Father and is going back to the Father. How does that statement change the way we think of Jesus and ourselves?
3. The disciples state that they now understand Jesus in vs 29. How does Jesus respond to them (vs. 32) and why? (vs. 33). Why would information about the disciples scattering, among other things, allow the disciples to have peace?
4. How does peace come from a proper understanding of doctrine and who Jesus is?
5. Jesus final words are that he has overcome the world in vs. 33, how does that information give you peace?
