

## INTRO

The bible is full of many flawed characters. Does that give you hope or disappointment? Why?

## DISCUSSION

### **Read John 21:1-25**

1. What stands out from this scene (vs. 1-13) with the disciples fishing when Jesus appears?
2. What actions does Peter take in this story? (vs. 3, 7, 11) What does this highlight about Peter?
3. Three times Jesus asks Peter if he loves him. People see this as a reversal of his denial three times during Jesus' arrest. Do you agree? Why or why not?
4. What is Jesus' response to Peter after he confirms his love for Jesus? (vs. 15,16,17) Why do you think Jesus says this?

## APPLICATION

What encouragement can we gain from Peter's redemption?
