

New Year's Eve

Hebrews 12:1-2

INTRO

What is one thing that you would like to accomplish this next year?

DISCUSSION

READ: Hebrews 11:1-12:2

1. How does Hebrews 11:1 describe faith? What stands out about this definition?
2. Hebrews 11:3-38 has many different stories from the Old Testament. Which stories stand out to you and why?
3. What is the most repeated word throughout Hebrews 11:3-38? Why is that important? (vs. 39)
4. How has God planned to make each person in Hebrews 11 and us "perfect" as it says in vs. 40? (Hebrews 12:1-2) Do you have faith this will be true?
5. The author of Hebrews starts chapter 12 verse 1 with the word Therefore telling us to do what? (12:1-2) How will this information help us run the race marked out for us?

APPLICATION

What ways do you need to run the race marked out for you this year?
What changes do you need to make or habits you need to take on?
