

EXODUS

SMALL GROUP GUIDE | FEBRUARY 4, 2024

INTRO

Share a time in your life when you had no idea how you'd pay for something, and you saw God provide—could be in your life or the life of someone you know.

DISCUSSION

1. What is the connection between God's commandment to give in Exodus 25:2 ("Tell the Israelites to bring me an offering. You are to receive the offering for me from everyone whose heart prompts them to give.") and his same command to give today, in 2024? Is it one-to-one? Something else?
2. What was the most challenging thing you heard the pastor say on Sunday? Why do you think messages on giving make people uncomfortable?
3. There are plenty of other NT passages that address similar topics. Look at Matthew 6:19-21. What does it mean that "where your treasure is, there your heart will be also"?
4. Did anything you hear today make you think you need to do something different as it relates to giving?
