IN _____ WE TRUST

INTRO

What would you say is your “guilty pleasure” as it relates to entertainment (you know it’s not great “art”, but you still love it)? Example: The Bachelor, a procedural show, another reality show...

DISCUSSION

1. What is an idol? What are the idols you see in Western culture? In your life?
2. Does God need our worship? If not, why is He jealous (Exodus 20:5) for our love? How is God’s righteous jealousy different from petty human jealousy?
3. Why do we avoid worshipping the Triune God? How do we worship in Spirit and truth? (John 4:23)
4. Do you agree that it is possible for well-intentioned Christians to worship the church, the Bible or other important aspects of our faith? How and in what way?

PRAY

Pray for each other.
