## INTRO

What are the ways that society worships self? In what ways does that affect how you live?

## DISCUSSION

READ: Philippians 2:1-11

1. Who is this message for and what does Paul want them to do? (Vs. 1-2)
2. How does Paul want them to think of themselves? (vs. 3) What would that look like in your life?
3. What does Paul want them to do for others? (vs. 4) How could you live this out in your life?
4. How does Paul explain how this is possible for us to humbly look out for other's interests? (vs. 5-11) What is most shocking about how Jesus lived this out?
5. How does belief in Jesus gives us meaning and the ability to be humble?

## APPLICATION
