INTRO

What's the most beautiful place you've ever visited?

DISCUSSION

1. Pastor Mike says, knowing that some may disagree, that beauty is objective rather than subjective. Do you agree or disagree? How does this perspective challenge or align with your own views on beauty?
2. How does the concept of beauty in the Tabernacle's design (as described in Exodus) inform your understanding of God's character and what He values?
3. Pastor Mike says that Jesus and the Gospel are beautiful. In what ways do you find beauty in Christ's sacrifice and the message of the Gospel? How might this perspective impact how we share our faith with others?
4. Pastor Mike's final point is that "we need more beauty in our lives." What practical steps can we take to incorporate more beauty into our daily routines and surroundings? How might this affect our spiritual lives?
5. Reflecting on Psalm 27:4, what does it mean to you to "gaze on the beauty of the Lord"? How can we cultivate this practice in our lives, especially in times of difficulty or when surrounded by ugliness in the world?
