DISCUSSION

1. How have you experienced hope causing faith in your life? What are the things you find yourself usually hoping in?
2. What changed when the gospel first truly struck you in its truth and goodness?
3. What does it mean to learn the will of God? Why do Christians naturally seek to do this?
4. What do you do when a good friend's or your spouse's desires/will conflict with your own? What do you do when God's desires/will conflict with your own?
5. Why does God forbid people to make images of him? Why, then, does he send Jesus as his image for us?
